# Beware Of Quarantine Risks?

الإلتباه من الأشياء  
 التي تسبب المخاطر الصحية

ካብ ወሽባ ኣደጋ  
 ተጠንቀቑ

## PLEASE DECLARE FOR AN INSPECTION!

- > The following items present quarantine risks. They are thus allowed to enter Eritrea on the following conditions:
  - accompanied by an import permit issued by the Regulatory Services Department of the Ministry of Agriculture.
  - accompanied by a health certificate from the country of origin.
  - if need be, an item will be treated (at the cost of the importer) to make it safe.
- > Alternatively items will be detained and subsequently destroyed by a quarantine officer.
- > An item not included on the list below and presumed to be a quarantine risk by a quarantine officer can be detained for any quarantine action.
- > Failure to declare quarantine risk items is illegal.
