REGARDING THE STAMP ON PHYTOSANITARY CERTIFICATE

Regarding the new requirements of current legislation of the Republic of Lithuania entering into force from the first of September of 2011, State Plant Service under the Ministry of Agriculture of Lithuania would like to inform that the column 18 of Phytosanitary certificate or Phytosanitary certificate for re-export should be stamped with round stamp with the Lithuanian name of the regional post or Klaipėda border post, instead of triangular stamp with the inscription "Lithuania" used before.

Enclosed: Samples of stamps of regional and border posts (2 pages).
