Ref:

Panama notification of modifications in the Phytosanitary Certificates of Exportation and Phytosanitary Certificate of Re-exportation.

The National Phytosanitary Protection Organization (NPPO) of Panama wishes to communicate to the NPPOs of the trading partners a modification in the Phytosanitary Certificate of Exportation and Phytosanitary Certificate of Re-exportation, which consists in the printing of a circular hologram in the upper left, with the word "original / genuine", as a security mechanism. This amendment will take effect from June 12, 2017. Attached is a sample of the Phytosanitary Certificates with the indicated modification.

Sincerely,

**Darío E. Gordón B. (Ing. Agr.)
