

NATIONAL REPORTING OBLIGATION

Establish and update lists of regulated pests

References in the IPPC: Article VII.2(i):

Contracting parties shall, to the best of their ability, establish and update lists of regulated pests, using scientific names, and make such lists available to the Secretary, to regional plant protection organizations of which they are members and, on request, to other contracting parties.

Type: Basic¹

Method: Public²

Responsible entity: Contracting party

Receiving entity: Secretary, RPPOs of which they are members, other contracting parties on request.

Languages (Article XIX of the IPPC): Art. XIX.3(c) sets out that information provided according to Article VII paragraph 2(i) shall be in at least one of the official languages of FAO.

Reason:

- ◆ To allow trading partners access to information on pests regulated by importing country and for which they will need to meet established national measures.

Remarks:

- ◆ A "list of pests (occurring within a country)" is not synonymous with a "list of regulated pests".

CPM adopted procedures:

- ◆ Regulated pest lists should be made available on the IPP and therefore public to ensure that all provisions of the IPPC are met.

^{1/} Type:
Basic = an obligation regardless of circumstances
Event-driven = triggered by a specific event
On request = triggered by a request
^{2/} Method:
Public = reported via the International Phytosanitary Portal (www.ippc.int)
Bilateral = reported in direct communication between countries
