COMMISSION ON PHYTOSANITARY MEASURES

Thirteenth Session

Rome, 16-20 April 2018

**ToRs of the Finance Committee - Revision of the Terms of Reference for
the Financial Committee to include an Observer Clause**

Agenda item 8.5

Prepared by the IPPC Secretariat

1. During the seventh session, the Commission on Phytosanitary Measures (CPM-7) adopted the Resource Mobilization Strategy for the IPPC which included the establishment of a Financial Committee (FC). The Strategy included the FC Terms of Reference (ToR) in its appendix.
2. The FC was established by the CPM Bureau in 2012. The FC consists of four individuals selected by the CPM Bureau. The primary activities of the committee are to provide financial transparency and oversight. The FC first met in June 2012. Since then, it had 17 meetings in total (up to the end of 2017).
3. From time to time observers were invited to attend FC meetings to provide advice on financial issues to the Committee. The Bureau at its June 2017 meeting discussed the issue of inviting observers to the FC and again at its October meeting, and agreed to the need to develop guidance on the participation of observers to FC meetings. This is now reflected in Appendix 1.
4. The Bureau approved the revised FC ToR with the added Observers provision (Appendix 1) and recommended them to the CPM for adoption.
5. The CPM is invited to:
 - 1) *adopt* the revised Financial Committee Terms of Reference as presented in Appendix 1.

This document is printed in limited numbers to minimize the environmental impact of FAO's processes and contribute to climate neutrality. Delegates and observers are kindly requested to bring their copies to meetings and to avoid asking for additional copies. Most FAO meeting documents are available on the Internet at www.fao.org
