COMMISSION ON PHYTOSANITARY MEASURES

Fifteenth Session

Virtual Meeting, 16, 18 March and 1 April 2021

Statements from COSAVE

Agenda items 082; 13.1

Prepared by COSAVE

Statement from COSAVE member countries regarding CPM-15 agenda items 8.2 and 13.1

Item 8.2: Implementation and Capacity Development Committee Terms of Reference and Rules of Procedure – Revision presented for adoption (CPM 2021/09)

COSAVE agrees with the proposed revision of the Terms of Reference and Rules of Procedures of the CPM Subsidiary Body: Implementation and Capacity Development Committee presented as Annex 1 to CPM 2021/09.

Recognizing the great work and results obtained by the IC, we understand that the documents developed by the IC could be even more collaborative prior to their final publication, mainly for the issues that could have an impact on the interpretation of the ISPMs.

Therefore, we recommend the IC to include a consultation period with the RPPOs before approving this type of documents.

Item 13.1: Long-term financial sustainability - ePhyto (CPM 2021/31)

Considering that the use of ePhyto is beneficial for the exporting party and the importing party in the international trade of agricultural products, COSAVE reviewed the 7 options presented in document CPM 2021/31 and proposes to the CPM to consider in detail options 3, 4 and 5 and be further analyzed.
