

IRSS: History and key milestones

2007

IRSS Conceptualization

Open-ended Working Group (Malaysia) on a **Possible IPPC Compliance Mechanism**.
Advised to establish a comprehensive **implementation review and support system**.

2008

Adoption of IRSS by CPM-3

With main 3 components:

1. **Review and monitor Implementation** of the Convention and ISPMs.
2. Establishment of **IPPC Help Desk**
3. **Review 1 & 2 and propose action plans**
 - CPM Bureau provided guidance
 - **Triennial Review Group (TRG)** provided advice
 - **Oversight** by donor

2011

2017

EU Funding

- European Commission Directorate-General for Trade (**1st, 2nd and 3rd Cycle Projects**)
- **Additional** funding was provided by **Switzerland for the 2nd Cycle**.
- **The third cycle** IRSS project is still underway (**extended until May 2022**).

IC Oversight

Implementation and Capacity Development Committee to oversee IRSS and established IC Sub-group

Sustainability

Proposal for clarity of scope, more suitable name and sustainably resourced

2022
