COMMISSION ON PHYTOSANITARY MEASURES

Second Session

Rome, 26 – 30 March 2007

Tentative IPPC meeting calendar for 2007

Agenda Item 16 of the Provisional Agenda

1. The tentative IPPC meeting calendar for 2007 is given in Annex 1. It is subject to change as dictated by CPM decisions and budget allocations. Not all of these meetings currently have budget resources available for them to be conducted.
2. Currently, the IPPC has resources to fund the equivalent of three of the seven regional workshops on draft ISPMs, or, alternatively, 40% of each of the seven workshops.
3. The IPPC Secretariat maintains the IPPC meeting calendar on the International Phytosanitary Portal (IPP - <https://www.ippc.int>) and contracting parties are encouraged to visit the site often to check for meeting updates.

For reasons of economy, this document is produced in a limited number of copies. Delegates and observers are kindly requested to bring it to the meetings and to refrain from asking for additional copies, unless strictly indispensable.
Most FAO meeting documents are available on Internet at www.fao.org
