COMMISSION ON PHYTOSANITARY MEASURES

Ninth Session

Rome, 31 March - 4 April

Modification of Provisional Detailed Agenda

Agenda items 9.5 and 9.4.1

Prepared by Guatemala with the Support of OIRSA Member Countries

This document is printed in limited numbers to minimize the environmental impact of FAO's processes and contribute to climate neutrality. Delegates and observers are kindly requested to bring their copies to meetings and to avoid asking for additional copies. Most FAO meeting documents are available on the Internet at www.fao.org

1. Change the order of the agenda to address point **9.5 first. "Update on the development of a Framework for standards" before discussing point 9.4.1 "Adjustments to the List of topics for IPPC standards."**

The issue of item 9.5 of the agenda could have a direct impact on the subject included in item 9.4.1, therefore we consider should be treated first, so the Commission is able to have an element that supports the decision to be taken with respect to the standard list of topics.

2. Include in **item 20 Other Business: "Translation Problems."**

Inrepeated occasions there have been identified Spanish translation problems in different documents produced for the CPM meetings in order to be discussed or approved, therefore the necessary importance to this issue should be given in the Commission.
