COMMISSION IMPLEMENTING REGULATION (EU) 2020/1213
of 21 August 2020
concerning the phytosanitary measures for the introduction into
the Union of certain plants, plant products and other objects
which have been removed from the Annex to Implementing
Regulation (EU) 2018/2019

Article 1

Subject matter

This Regulation sets out phytosanitary measures for the introduction from third countries into the Union of plants, plant products and other objects, which have been removed from the Annex to Implementing Regulation (EU) 2018/2019.

Article 2

Measures for introduction into the Union of certain plants, plant products and other objects, originating from third countries

The plants, plant products and other objects, originating from the respective third countries of origin, as listed in the Annex, may only be introduced into the Union territory if they comply with the corresponding measures set out therein.

Article 3

Entry into force

This Regulation shall enter into force the third day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

▼ M2

ANNEX

List of plants, plant products and other objects, originating from third countries, and the corresponding measures for their introduction into the Union territory, as referred to in Article 2

▼ M9

Plants, plant products or other objects	CN Code	Third countries of origin	Measures
<p>— <i>Acer campestre</i>, up to fifteen-year-old plants for planting with a maximum diameter of 88 mm at the base of the stem;</p> <p>— <i>Acer palmatum</i>, up to seven-year-old plants for planting with a maximum diameter of 40 mm at the base of the stem;</p> <p>— <i>Acer platanoides</i>, up to seven-year-old plants for planting with a maximum diameter of 40 mm at the base of the stem; and</p> <p>— <i>Acer pseudo-platanus</i>, up to seven-year-old plants for planting with a maximum diameter of 88 mm at the base of the stem.</p>	<p>ex 0602 90 41 ex 0602 90 45 ex 0602 90 46 ex 0602 90 48</p>	<p>United Kingdom</p>	<p>(a) Official statement that:</p> <p>(i) the plants are free from <i>Coniella castaneicola</i>, <i>Eulecanium excrescens</i> and <i>Takahashia japonica</i>;</p> <p>(ii) the site of production has been found free from <i>Coniella castaneicola</i>, <i>Eulecanium excrescens</i>, and <i>Takahashia japonica</i> during official inspections carried out at appropriate times, since the beginning of the last growing season;</p> <p>(iii) a system has been put in place to ensure that tools and machinery have been cleaned to be free from soil and plant debris, and disinfected to be free from <i>Coniella castaneicola</i>, before they have been introduced into the site of production; and</p> <p>(iv) immediately prior to export, consignments of the plants have been subjected to an official inspection for the presence of <i>Eulecanium excrescens</i>, and <i>Takahashia japonica</i>, with such a sample size as to enable at least the detection of 1 % level of infestation with a level of confidence of 99 %; and to an official inspection for the presence of <i>Coniella castaneicola</i> including random sampling and testing of the plants;</p> <p>(b) the phytosanitary certificates for those plants include under the heading ‘Additional Declaration’:</p> <p>(i) the following statement: ‘The consignment complies with Commission Implementing Regulation (EU) 2020/1213’; and</p> <p>(ii) the specification of the registered sites of production.</p>
